conference  
and events  
venue in  
London

ORTUS

# FLEXIBLE

ORTUS has 1500 sqm of dedicated, flexible event space with state-of-the-art technology and audio-visual equipment, as well as high-speed Wi-Fi.

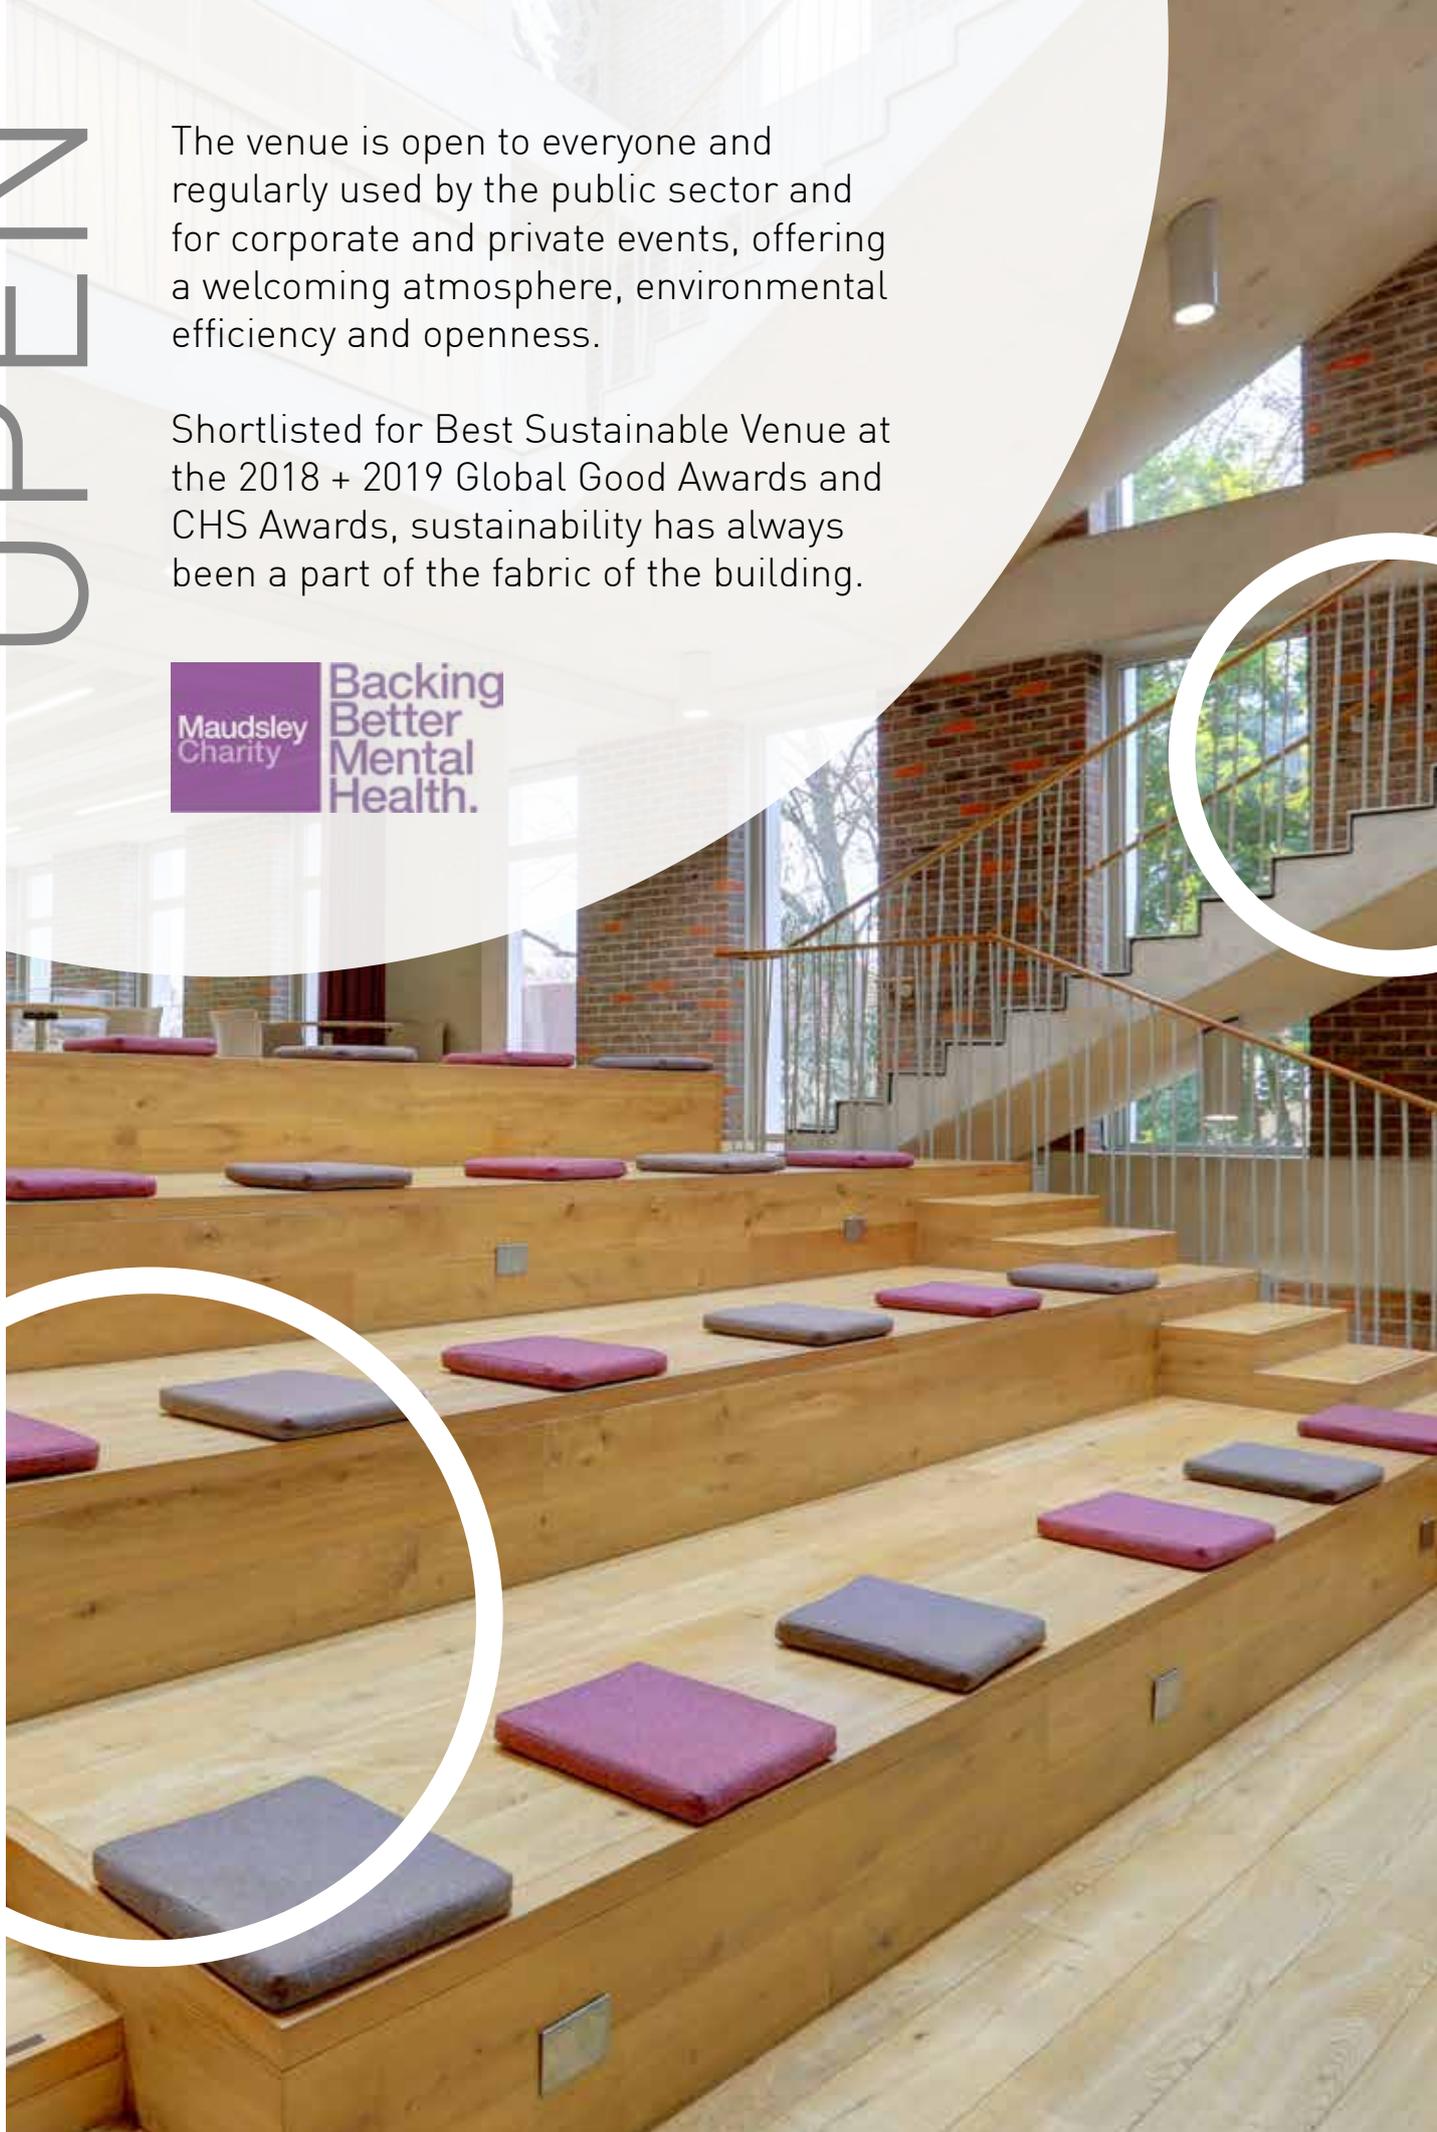

Larger suites can be divided into 22 rooms, over 7 levels, as and when required. The space is ideal for small or large conferences, meetings, training courses, workshops, academic lectures, receptions and a range of other events.

# OPEN

The venue is open to everyone and regularly used by the public sector and for corporate and private events, offering a welcoming atmosphere, environmental efficiency and openness.

Shortlisted for Best Sustainable Venue at the 2018 + 2019 Global Good Awards and CHS Awards, sustainability has always been a part of the fabric of the building.

# RIGHT CHOICE

ORTUS is owned by the Maudsley Charity.

The organisation support patients and carers, clinical care teams and scientists who are working towards the common goal of improving mental health. They fund ideas, big and small that increase knowledge and the ability to support people who experience mental illness. [www.maudsleycharity.org/](http://www.maudsleycharity.org/)

ORTUS was built to be eco-friendly and through our Environmental Management System (EMS) Certification ISO 14001, it is our Policy to ensure that all aspects of the business have the least harmful effect on the environment.

# SPACE

## CONNECT

Named after one of the five recognised ways towards achieving mental wellbeing, Connect is our largest single event room. This space is perfect for connecting with larger audiences and boasts fantastic audio and visual equipment.

With the hire of Connect, our mezzanine area is included at no additional cost. The Mezzanine can be used as a catering, networking or exhibition space.

Size: 17.2 x 8.5m

Theatre	140
Boardroom	56
U-Shape	35
Horseshoe	50
Banquet	96
Cabaret	72
Classroom	42
Reception	150

# SPACE

## PILOWSKY AND TERRACE

Named after Lyn Pilowsky, a ground-breaking psychiatrist renowned for her research into Schizophrenia, the Pilowsky suite is a very popular space in the building. The room features a double height ceiling on one side and an adjoining balcony on the other. This suite can also be divided into 2 or 3 smaller rooms but it really comes into its own when used in the full open plan format.

Size: 13.6 x 8.5m

Classroom	42
Reception	80

# SPACE

## BEGUINE AND TERRACE

Our top-floor terrace provides an excellent view of the London skyline shimmering in the distance. It also boasts a unique meeting space.

Mostly Beguine is used for senior-level boardroom meetings but it is also perfectly suited to smaller group meetings and training for up to 14 participants.

The terrace is ideal for post meeting, intimate receptions for up to 25 guests.

Size: 4.25 x 5.2m

## ADAMSON AND BUDDY

The Adamson and Buddy suites are similar in design, flexible and high tech, great for delivering impressive presentations. Both suites can be one larger room or through the use of acoustically sealed partitions it can be divided into 2 or 3 smaller rooms.

Buddy is named after the nine-year-old Tibetan Terrier and her owner Marion Janner OBE, founder of the Star Wards mental health project, Buddy is Marion's support dog and tours the UK visiting patients and staff through the Star Wards scheme.

Adamson is named after Edward Adamson, considered by many as the pioneer in the use of art in mental health therapy.

Size: 4.25 x 5.2m  
Terrace: 6.0 x 8.5 m

Theatre	80
Boardroom	46
U-Shape	40
Horseshoe	45
Banquet	64
Cabaret	60
Classroom	48
Reception	80

# DELICIOUS

As well as running the day to day activities, Vacherin is also the in-house caterers for ORTUS.

Vacherin is passionate about delivering healthy, responsibly sourced, delicious food every single day, and passionate about being as sustainable and responsible as possible, focussing on buying seasonal produce and working with small, independent and family-run suppliers.

These principles safeguard the lively hoods of small businesses as well as protect animal welfare and support rural communities with jobs for local people. And, of course, the food just tastes better.

Vacherin works hard to achieve and maintain ISO 9001 and 14001, and work in partnership with clients' CSR and sustainability teams so that their actions compliment their own sustainability objectives.

# DIRECTIONS

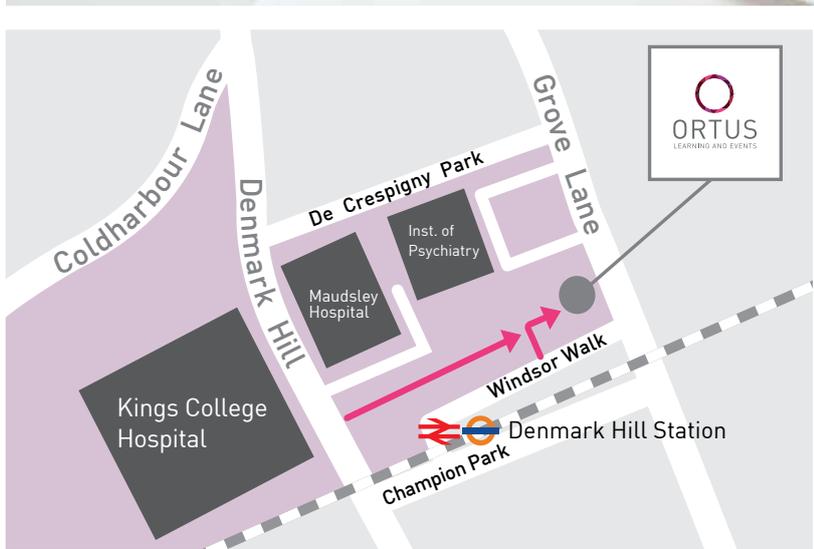

At ORTUS we like to take care of our environment, and therefore we encourage all of our guests to use public transport where possible to reduce their carbon footprint.

ORTUS is easily accessible from many key points across Greater London.

Our guests are often pleasantly surprised by just how easy it is to get to our venue in SE5. Denmark Hill station is just a few minutes walk from ORTUS, and is managed by Southeastern on its lines from Victoria to Dartford and from Blackfriars to Sevenoaks.

It is also served by London Overground. We have direct links to Victoria (9 minutes), Blackfriars (10 minutes), Canada Water for the Jubilee Line (12 minutes), Lewisham for DLR (13 minutes), Farringdon (16 minutes) and St Pancras for Kings Cross (20 minutes).

ORTUS is also connected to an extensive local bus network.

### From Denmark Hill Station

Turn left out of the station and walk 200m turn left onto Grove Lane and we are about 200m down and on the left.

**Tip:** if you reach the primary school you've gone too far. We are just before the primary school and can be accessed via the black gates.

**By Bus:** Routes 40, 42, 68 (24 hrs) 176 (24 hrs), 185, 468, 484 all stop nearby. Walk down Grove Lane and enter by the black gates.
